

My Internship experience

Andoniu Daniel 5ºAI

Introduction

- I made my school internship at Eeprom. Its head office is located in Rosà (via Mazzini 91).
- Is a small office with just one employee and the boss.
- A little reception, the boss's office and the main room.

Type of Job

- Mainly I installed Windows 10 in PCs.
- I assembled some Pc
- Used TeamViewer to help the customers.
- Sometimes the boss took me to the companies to resolve their problems.

Personal Considerations

- It was really interesting to work there.
- I did a lot compared with the expectations.
- In the future i'd like to do this type of job, maybe not forever but for a while.
